

The **Office of Postdoctoral Affairs (OPA)** supports an online resource for the recruitment of postdoctoral trainees. The portal on the OPA website (<https://opa.uthscsa.edu/position-listings/postdoctoral-position>) is designed:

- for applicants to readily view available postdoctoral positions
- for faculty/staff to easily post information regarding available postdoctoral positions

The screenshot shows the website's main interface. At the top, there are navigation links for 'University: Home | Calendar | Maps' and the slogan 'WE MAKE LIVES BETTER®'. A search bar is present.
